Dear Jack. — I have been following your entire case and your trial and I want you to know that I sympathize with you, for, I'm sure you are a great believer in democracy and liberty for all.

The assassination of President John F. Kennedy touched deeply, almost everyone in the United States for, he was the SYMBOL of democracy, justice and freedom, and I don't think the U.S.A. will ever have another man, like JFK, in the white house again.

I predicted, he was going to be President of the United States and dedicated a song to him: "AMERICA EVER FREE" which he accepted; copy of his letter, (photostat) you will find enclosed with the music sheet. Love,

I want you to have a copy.
"AMERICA EVER FREE" shall be the
MOTTO of every true American.

Ten months ago I made a
DEMO-RECORD of the song but I
could not be lucky enough to
send one to T.F.H. However, his
wonderful principles shall never
die, for, he did not die in vain,
I'm sure.

I wanted to send you couple
of records (not for sale) but I don't
know if you could play it
and hear it. Let me know if you
can and I'll send couple to
you.

Do not discourage yourself
and have faith in God and then
in man.

You shall be acquitted!
God bless you.

Truly yours

Jews Believe...

God is One and Eternal.
God does not die or change.
God rules the world with wisdom, justice, and love.
God's will is revealed through the Torah, nature,
and human experience.

Israel's prophets and sages have served humanity
in fulfillment of God's will.

Man is created in the image of God.
Man's primary purpose is to follow the will of God.
Man is in God's care in life and in death.

All men everywhere are brothers.
The well-being of each is related to the well-being of all.

Men must give to his fellowman compassion, understanding, and respect.
Everyone must aid in building a human society
based upon truth, justice, and peace.

Judaism is an ancient religion but it is not
a static religion. It is not governed by a set
of fixed dogmas or a rigid creed. The Ten Com-
mandments in the Bible are regarded by all
Jews as inspired affirmations of basic Jewish
thought. Many Jews also accept the Thirteen
Principles of Maimonides as a guide to faith.

The statement on the opposite side of this
card, therefore, is not in any sense a creed. It is
merely an attempt to state, simply and concisely,
certain religious truths which all Jews believe.

Judaism is essentially a religion of deed. The
Jew would say, "Actions speak louder than
words."

The one declaration, which is universally
recited by all religious Jews and which has be-
come the rallying cry of Judaism, is the Shema
verse. Hear, O Israel, the Lord Our God, the
Lord is One.

Dear Mr. Ruby,

As I sit here sadly reading an article about Jackie Kennedy and how bravely and beautifully she bore her husband's death and think how terribly and badly I love it, I thought of you.

When I heard that magnificent man was assassinated I was so overcome with disbelief and grief and anger that my only repeating thoughts were oh no God please no - Then I saw the picture on T.V. of that cocky, nothing of a man being and thought - why doesn't someone kill him - who would not kill a Judas - but then I wasn't thinking sanely.

I don't believe you've brought shame to Dallas. The shame was there long before - the spitting on the Johnsons, the assault on Adlai Stevenson, the hate articles in the papers & finally

the whole hate act of them all - so
you see the hate hate was there long ago.
I would rather you be true for the
assumption of a killer than to see
Oswald defended - that would really
destroy me. It would have been
just what the ego-manics would
have wanted - to be in the limelight.
How he would have loved it & how
wonderful that he can't hear it -

My thoughts are with you - for
you killed out of love not hate -
Mr. Bell is your best & will give
you his best. Take care

Dear Jack Ruby,

I don't know rather this letter
will ever reach you or not, But
I just had to write to let you know
my family and myself are praying for
you. The beloved President Kennedy
his death was a terrible loss, it
left all of us dazed, and only God
knows what any of us would have
done if we had time free to face with
Council. It must be a long three months
for you, but our prayers are for you
every night, so have faith in God and
everything will turn out for the best.

Very sincerely

D.A. Urges Court Quash State Law

The Calcasieu Parish district attorney is asking the Louisiana Supreme Court in New Orleans to set aside a state law so that he can comply with a U.S. Supreme Court ruling. District Attorney Frank S. Sikes Jr. obtained a conviction against Wilbert Ribaud, Negro, for the murder of a Lake Charles woman bank employee.

RIBAUD WAS convicted and sentenced to the electric chair April 17, 1964. His attorney appealed the case on the grounds that a Lake Charles television program broadcast a confession by Ribaud and therefore made a fair trial impossible.

The U.S. Supreme Court ruled last June that the process of the law was denied because Ribaud's jury should have been selected from a community of people outside the KPLC-TV broadcast range.

THAT REQUIREMENT would force the trial to be held several parishes away. The problem is that Louisiana law requires that any change of trial site (of venue) can only be to the next judicial district—which in Calcasieu's case would be outside the broadcast range.

Heeding the U.S. court requirement, Sikes on Jan. 14 asked District Judge Cecil Cutrer to transfer the case to another parish. Judge Cutrer refused. Sikes then appealed to the state Supreme Court here.

He said today he is arguing that the state law should be set aside because it is intended to protect the rights of the defendant and the defendant's rights will best be satisfied by a trial transfer.

And gone out in the darkness again—
When the Trumpet of the Ages has sounded,
And we stand up before Him—what then?

And the long-marching silence send still,
When the angels have given his last orders,
And they've captured the last son and his,
And the day has been heeded in from the mas-

And the wounded child have checked in,
And a world that roared in terror,
Is silent for a season—what then?

When the places of our earthly lives
Have turned out their last finished work,
When our machines have sold their last produce
And have dismounted the last used clock,
When our banks have rolled in their last dollar
And paid out their last dividend,
When the judge of the earth says, "Closed for

And asks for a balance—what then?

When the choir has sung its last anthem,
And the preacher has made his last prayer,
When the people have heard their last sermon,
And the word has died out on the air,

And each one stands facing his record—
And the Great Book is opened—what then?

Dear Mr. Ruby:

I hope you don't mind my using the red part of my typewriter ribbon, but the black side is all used out, this is the best I can do, I felt that a typed letter would be better than a hand-written letter. My cousin Eddie Starchi sent you a letter some weeks ago, I always wanted to write a letter to you, but I wasn't sure of the correct mailing address, so after he got a reply from you, I decided to write you. I know that you have lots of troubles on your mind at this time, so I'm not really expecting a reply letter from you. There must be hundreds of people that are wishing you the very best of luck to you in this case and I'm one of them along with my cousin. I have never been in jail and I hope that I never am, so I can't say what its like, but my cousin has and he knows what its like and he told you so in his letter. Once again, I want to wish you the best in your fight against the shooting of Lee Harvey Oswald. I don't know how this case will turn out, but its always good to hope and pray for the best, so this will be all for now.

Yours truly,

Robert Jama

Robert Jama.

P.S. Everyone felt sorry when the late President Kennedy was shot in your good city and so did I. I've been to Texas once in my life and that was over two years ago. I went to San Antonio to see the Alamo, I've read many books and seen many (cont'd.)

(cont'd.) . movies about the history of Texas and the battle of the Alamo, I'm half Texan, one quarter American and one quarter of German origin all mixed-up into one. It sounds crazy, I know, but I don't think so, I hope that you don't. I like to think of myself as a Texan, when I get some money saved-up, I would want to make my home in Texas, San Antonio I hope. My greatest wish is to have my children to be born in the greatest state of them all, so I may as well end this letter now, good-luck and good-bye.

Mr. Jack Ruby:

Dear friend Mr. Ruby:

Thank you for your kind note in answer to my first letter. Now that your trial has started I sincerely hope and wish you all the first class luck in the world for a speedy and complete acquittal and release. To my estimation you harmed no one, broke no law of common sense to either God or Man. If you did the thing you are accused of, then I say you done all humanity a Great Favor. You exterminated off the face of this earth a Dirty Rat in Human Form. A Dirty Rat by its poisonous bite took the lives of two decent human beings and made an unsuccessful attempt to put the bite on two others. What was to stop him from biting again had opportunity arose. And believe as this opportunity has arose many times much to the regret of others.

I've served on juries before, once on the federal jury, and were I on your jury with ten others like me, you'd be released so damn quick it would make old Judge Browne head swim and Wade damn near bar.

Again I say Good Luck and Best Wishes to a great American Hero Mr. Jack Ruby. may fate treat him kindly.

Mr. A. Stephenson.

Dear Mr. Ruby

I have just finished
reading your story in our
local newspaper "The St. Louis Post
Dispatch," I enjoyed it very much.
Your story about how you worked
in Chicago, Marshall St., and other
places could not mean anything
to anyone who has not been to
Chicago. I have walked down
those same streets you wrote
about, as I was reading your story.
I picture you as a little boy
selling newspapers, and all the
other things you mention.
The way you worked out in the
cold, also brought to mind, about
when I was a kid selling

papers in zero or below,
rain or snow weather, I know
what you went thru. As I read
your reaction to the president
death I felt almost like you did
and ~~and~~ ^{stumbled} to believe that in

U.S.A. a man could kill

president. I saw the same

program you watched,

the little boy standing by the
coffin, and then a picture of

watching T.V. for almost 2 days,
I wanted to go for a drive, without
my radio on or anything about the
death of our friend. I just wanted
to be alone as I felt I had
Dewall had been shot, and they
were holding you for murdering
him, I said to myself as I drove
home why do they want to treat
you like that, a man who should
the world that the American
people can only take so much

they better watch out. In my
eyes you should be praised instead
of being treated like a murder, all
you did in what every good

the only difference is you had
enough guts to do it, if they

Dear Mrs. Ruby.

I sincerely hope that you
are enjoying the new look of health.

The friend of mine (Jewish)
that I told you went to Savannah
quite a lot. I saw her yesterday and
she knows Mr. Silvers real good and
is so sorry to have to tell you that
he passed away last year, he was
found dead in his bed at the hotel.
She told me that his sister married
a very wealthy man and Mrs. Silvers
won't see him and was divorced.

I'm so sorry to have to
write this kind of note to you at
this time but I promised you
that I would try to locate him.
For you and I would have found
him if I had to go there myself.

Mrs. Ruby I wanted to Judge
Joe B. Barnes & his Attorney Henry Wade
begging them to search within their
hearts and they will find that you
are not guilty of anything that you

IV
are a very kind and gentle man, and I
hope I haven't done wrong but I just
had to try and I will guarantee you
that I gave them a lot to think about
and I wanted to do just that.

You didn't seem like a
stranger to me, it seems as though I've
known you all of my life and you are
a very dear friend of mine, and I
hope that you will always be.

You see my Ruby I lost
my precious Mother (may her soul rest
in peace) not too very long ago and it
seems as though I'll never get over
it but I know that time will take
care of everything.

It is you answered my
letter you made me very happy and
it was the nicest thing that happened
to me in a long, long time, and I'm
asking you to please write when you
feel like it as it gives me a great
big lift.

I wanted to write a letter
to the Editor in Dallas but I was
afraid I would be pushing too hard
but I will continue to stick on
the Judge & his Attorney and you
can rest assured that I'll work
like I've never worked before and

He praying to dear God at the same
time hoping that it will do some
good. I'm a person that never gives
up and I'll go down fighting, I don't
get the impression that I'm a tough
person, because I'm just the opposite
but I've got a lot of determination and
I'll fight for the ones that are dear
to me - and I feel that way about
you because I think you're a
very nice gentleman and I know I'm
right in my opinion of you, you
just couldn't be anything else.

Mr. [unclear] please remember
my invitation to come here when you
can and you can feel sure that
you're welcome in our home and
will be treated as a member of my
family. It would be quite a honor
to have you at any time.

Would you kindly give me
your sisters address, as I would
like to drop her a line and maybe
I can ease the tension a little but
really I would just like to write
her a few lines, if you think that
she wouldn't mind.

I'm going to close now

and please have faith in God and
yourself and hold your head up
proudly and look the whole wide
world in the face because everything
is going to work out fine.

Remember I will continue
to pray both day and night for you
and believe the one never prayed
so hard in all my life and I know

Dear Jack,

Des Moines
Feb. 26, 1968

I received your most
welcome and lovely letter and
many thanks.

My car has several days,
he left Monday morning to
go back to Chicago. I received
a letter from him today. He seemed
to be feeling pretty good. He has
put on a little weight since I
last saw him. I'm glad he has
quit smoking and drinking. He
realizes now what a detriment
it was to him. I am hesitant
that I don't drink or smoke;
that I don't. I have never smoked
or taken as drink in my life.
I have four feathers, none of them
drink and only one smoke. I have
of them all in San Francisco. The
one there is a Cheyenne.

I have marvelous health, try to
eat right and take natural vitamins.
He said something about getting
a vitamin which you thought was
so good. Is it a natural and

1987

what is the name of it
people don't have it. But there
is a world of difference between
the natural and the man-made
at the expense of that symbolism.
your body cannot wear symbols.

We have been busy at
the house with the tent
day, and many friends.

My boss, Mr. Harold Cook is
known nationally. He lectured
throughout the country. He has had
the show in Chicago at the
McCormick place and the Wherry's.

Jack my heart goes out to
you for what you are going
through. My prayers and thoughts
go out to you daily and every
other day. There is nothing more
powerful than I grant you. I
wonder really began to live until
I got lost first in everything
Every day when you begin with clay
place your life in his hands.
Each time when you go to the court
room ask him to direct your thoughts
so that the questions will be answered
correctly. You have no idea how much
it will help you think clearly before
you answer each question. I am sure

you understand and can read
between the lines why I am writing
like this I am writing to you like
a sister. Whatever you do don't let
your moral get low. I know it
should do. Remember if "Evil"
for us who can be against us
things will turn out much better
than you think they will show.
Don't let your faith waver, may
you meet each new day with new
courage and strength. you must
don't let me remind you of forgiveness
which is so important to open
the doorway.

The friends that forsake us in
times of trouble were not stable
friends to begin with. I have often
heard it said if we acquire 3 or
300 good, tried and trusted
friends in a lifetime we have
done well.

Give my best to Eva and Sammie.
Let me hear from you when
you find time.

May God sustain you and go
with you through every trial.

Very sincerely,

Fern Warren

Mr. Jack Ruby: you are on my mind today and want to try and help you. you surely got yourself in a peak of trouble. I saw on T.V. what you did and altho I had no sympathy for Lee Harvey Oswald I knew you were doing wrong. The Bible plainly tells that we must not take things into our own hands. We have courts to take care of such things.

Have you ever accepted the Lord Jesus as your personal Saviour? Believe on the Lord Jesus. Then shalt be saved ask him to forgive you and He will and then you are one of his children and He will see you thru.

This life is short but the next life is everlasting and it is the one that counts.

God loves us (sinners that we are) so He sent his only begotten son to die on the cross for us. But our part of the contract is that we must believe on him and ask to be forgiven and be his children. He forgave his murderers and asked his heavenly father to forgive them. Can we do less?

Just make sure you do not lose your soul as well as your life. Let God work it all out. He can & will if you only ask him.

if you need doctoring well and
good, God can & will work
it all out.

I am a 79 yr. old grandmother
and have more time to think
than I used to when raising my
family. I have learned many
things and looking for Jesus to
come back for his bride. Revelation
verse 4 This life is nothing but
the life to come does count everything.
Get a New Testament and
read it carefully.

May God bless you & keep
you in the center of his will. I
will be praying daily for you.

In his precious name

Dear Mr. Rubenstein:

Ahstem Alechem. Are you questioning if I am Jewish or of Jewish descent? No, it is not my wish to trick you or mislead you in any matter so I must honestly say that I am not of Jewish descent. My only claim is a great love for all the people of Israel as well as my love, of God. The explanation of myself is of very little importance for I am deeply concerned and interested in you.

It was during November 1963 my first concern for you arose when I saw your name. My husband and I discussed the very real possibility that you were probably Jewish and thus started our prayers for you. It makes absolutely no difference to me whether mankind finds you guilty or innocent of a specific sin. The issue is how the God of Israel finds you before Him. We must all come before our God in judgement one day and His answer, of course, will be determined by what we have done in our hearts with the Messiah before we meet Him in that final day.

Today when reading the newspaper it quoted you as saying, "I cannot magnify the great acquaintance I'm making with the Bible. One of the guards - with another faith - has no human and considerate." The article went on to say.

you had been sustained by an amateur Bible-reading course and the jail guard has been reading to you from the Old Testament. This is wonderful news and how thankful you also must be for the guard, since you made this public statement I have now taken the liberty of writing to you, I wanted you to know there are those who pray for your soul because you are a Jew and sincerely want to encourage your continued Bible study. In Bible study we are all amateurs.

Providing you will be faithful in reading the scriptures, God will be faithful in revealing unto you His truths and His ways. Isaiah 48: 16 and 17 says, "Come ye near unto me, hear ye this; I have not spoken in secret from the beginning; from the time that it was, there am I: and now the Lord God, and his spirit, hath sent me. Thus saith the Lord, thy Redeemer, the Holy One of Israel; I am the Lord thy God, which teacheth thee to profit, which leadeth thee by the way that thou shouldest go." And notice again Leviticus 17: 11, "For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul."

Throughout the Old Testament alone are prophecies and promises concerning the coming of the Messiah, the Redeemer - this is the meaning of Leviticus 17: 11 - the Messiah made, once for all, an atonement with His blood for our souls - Jew and Gentile. There is also much in the Old Testament concerning the penalty of God if we reject Him. I realize Jewish people think collectively or nationally more than individually, but I would implore you to search the scriptures for yourself,

repent to God - confessing your sins and accept the true Messiah in your own heart. Isaiah 55: 6 and 7 says, "seek ye the Lord while he may be found, call ye upon him while he is near: let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord, and he (God) will have mercy upon him (you); and to our God, for he will abundantly pardon" You have time now so look up these following verses too, won't you? Jeremiah 29: 12 and 13, Lamentations 3: 38 to 41, Ezekiel 34: 11.

There are many, many scriptures I would like to share with you, however, I am afraid if the letter is too lengthy you will not read it. Remember God has something to say to each one of us, He loves each one of us; it is not His desire that any of us miss having eternal life. However, we all have sinned, God and His angels and therefore we need forgiveness of our transgressions through His Son, our Messiah.

Since I care for you, the destination of your soul and what becomes of the remainder of your life on earth, it is my hope and prayer that you will receive my letter and the enclosed tracts with an open heart. I would consider it an honor to write again if you have questions or perhaps we might share with one another your Bible study. Please, do not take any one persons word to be final and absolute in matters concerning God. As a human being all I am able, or anyone else is able to offer you is love, understanding and guidance in the scriptures. You and you alone must make the final decision with God. We who love the Jew are a small remnant in the Church today standing in the gap for Israel.

Shalom Alechem - Peace to you

Mrs. Linneane
